

School of Medicine
Professional Development Seminar

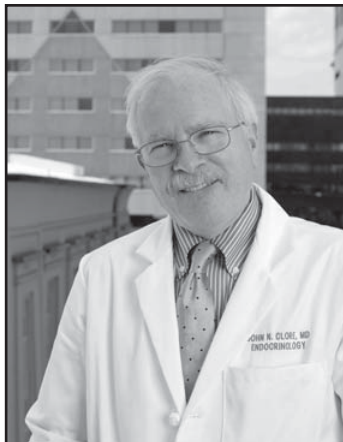

All Faculty and Interested Persons are Invited

Getting Started in Research at VCU

**Tuesday, November 17, 2009
12 - 1:30 pm
Medical Sciences Bldg., 104/105**

As a result of this presentation, participants will:

- become familiar with the process for research at VCU;
- review resources available to the researcher at VCU,
- discuss obstacles to research and strategies to overcome them.

John N. Clore M.D.
Professor of Medicine
Associate Vice President for Clinical Research, VCU
Director, VCU Center for Clinical and Translational Research

Lite lunch provided with RSVP by Friday, November 13, to 8-6591 or dstewart@vcu.edu
