

School of Medicine  
Faculty Development Workshop for  
Course & Clerkship Directors, Chief Residents, & Interested Faculty

# ***BOP IT: Breaking Old Practices of Ineffective Teaching***

Following this workshop, the participants will be able to:

1. Identify the unique opportunities currently present allowing for curricular change.
2. Describe the long-term educational impact faculty would like to see in our medical students.
3. Provide the basic “backwards” design of a medical school course based on desired outcomes.

## ***Isaac K. “Ike” Wood, MD, FAACAP***

Associate Dean of Student Affairs  
Associate Professor of Psychiatry and Pediatrics  
Director of Undergraduate Medical Education in Psychiatry
