

# ***Project on Research in Medical Education (PRIME)***

**Wednesday, February 28, 2007**

**8 - 9:30 a.m.**

**Sanger Hall, Room 1-038**

*Dr. Brickhouse*

## ***Infant Oral Health Care in a Medical Setting***

The purpose of this research project was to:

- *Examine pediatric medical residents' knowledge of oral health and dental referral behavior*
- *Examine factors that may influence whether providers can:*
  - *identify tooth decay in infants;*
  - *provide risk assessment for oral health, or*
  - *refer infants to dental providers.*

### *Presenters*

***Tegwyn H. Brickhouse, DDS, PhD***

*Assistant Professor  
Department of Pediatric Dentistry
