

Project on Research in Medical Education (PRIME)

Wednesday, September 26, 2007

8 - 9:30 a.m.

Sanger Hall, Room 1-038

***Teaching Clinical Communication
Using Techniques of Theater***

Participants will be able to:

- describe the importance of communication and empathy skills in clinical care, and challenges in teaching these to residents and students.
- assess and evaluate the results of using an innovative method to teach these skills, using faculty in the Department of Theater.

Presenters

Alan Dow, MD, MSHA

Assistant Professor of Internal Medicine
Associate Director, Residency Training Program

David Leong, MA

Professor and Chair
VCU Department of Theater

Aaron Anderson, PhD

Associate Professor
VCU Department of Theater

Continental Breakfast will be served.

sponsored by the Curriculum Office in collaboration with the Office of Faculty and Instructional Development, VCU School of Medicine on the MCV Campus. For questions, please contact Debbie Stewart at 8-6591.
