

Faculty Development Session: Audience Response System

*Sponsored by
The Computer Based Instruction Lab (CBIL)*

Come join us for a skill development session on the use of the School of Medicine's Audience Response System (ARS). In this session you will learn:

- How to integrate the system into lectures and presentations
- How to enhance interactivity in your lecture settings
- How to use ARS data to track participant performance
- Technical aspects of how the ARS works
- ARS effectiveness as a teaching tool

Date:
Wednesday January 24, 2007

Time:
12:00 p.m. - 1:15 p.m.

Location:
MSB Rooms 104/105

Presentors:
Dan Han, IT Analyst, CBIL
Susan Phipps, Library Specialist, CBIL
Brenda Seago, Director, CBIL

Please RSVP by Mon. Jan 22
to Susan Phipps at
828-8319 or sjhipps@vcu.edu

*Lite lunch provided by
