## Curriculum Council Operating Standards

### Policy Statement and Purpose

---

The Liaison Committee on Medical Education (LCME) has established standards regarding the establishment of an institutional body to oversee the design, management, integration, evaluation, and enhancement of the curriculum. To ensure compliance with these standards, the Virginia Commonwealth University School of Medicine has developed a Curriculum Council that will act as the committee overseeing these actions. These operating standards serve to define the membership of the Curriculum Council, as well as their official charge and responsibilities.

### Stakeholders

---

The faculty, staff, and students of the VCU School of Medicine are responsible for knowing this standard operating procedure, its contents, and provisions.

### Definitions

---

**VCU SOM:** Virginia Commonwealth University School of Medicine.

**LCME:** Liaison Committee on Medical Education. The group with authority to accredit medical education programs leading to the MD degree in the United States and Canada.

**CC:** Curriculum Council.

**CC Chair:** Chair of the Curriculum Council.

**Dean:** The Chief Academic Officer for the VCU SOM.

### Responsibilities

---

**CC:** The CC, comprised of core faculty and administrators, acts as the governing body for the design, development, delivery, and continuous review and improvement of the curriculum.

**Dean:** The Dean is responsible for appointing the CC Chair, Vice Chairs, and Department Chair representatives as defined in the membership section.

**CC Chair:** The CC Chair is responsible for ensuring all official CC business is conducted as outlined in these procedures.

### Procedures

### *Mid-Term Vacancies*

If a vacancy is created as a result of a member leaving the council prior to the end of their term, their position will be filled for the remainder of their scheduled term.

- Vacancies in elected positions will be filled by faculty election.
- Vacancies in appointed positions will be filled by appointment of the Dean in consultation with the Chair of the CC.

Replacement members elected or appointed to complete the remainder of the vacant term must meet the specific membership role of the vacancy (ex: a clinical faculty vacancy must be filled with a clinical faculty member).

### *Voting Quorum*

- A quorum must be present in order to conduct official votes by the CC.
  - To achieve a quorum there must be at least ten (10) non-student voting members present, and at least one (1) student voting member present

### *CC Meetings*

The CC will meet at least once per month to conduct official business, but may meet more frequently as determined by the CC Chair and Dean.

### *CC Responsibilities*

The CC, in executing their official charge, is responsible for:

- Establishing, approving, and ensuring consistent review of the Institutional Learning Objectives (ILOs) for the MD program
- Designing, managing, and evaluating the MD program curriculum to ensure ILOs are being met and are compliant with LCME standards
- Ensuring that instructional and assessment methods are appropriate for achieving the ILOs
- Establishing a process for the review, evaluation, and revision of required curricular components to ensure coordination, as well as vertical and horizontal integration of the curriculum
- Establishing performance standards and evaluating performance for individuals teaching within the curriculum, identifying the need for faculty development opportunities where appropriate
- Monitoring the workload of the study body as produced by the curriculum

- Establishing performance standards regarding student promotion and graduation
- Advising the Dean on resources needed to execute and/or support the curriculum
- Ensuring all proposed curricular changes are reviewed and approved as outlined by the Curricular Changes Requiring Curriculum Council Approval SOP

#### *CC Subcommittees*

The CC Chair has the authority to create and charge subcommittees, workgroups, and/or taskforces as they deem necessary to assist with CC related matters.
