Good afternoon,

Please see the attached info sheet and share with your students. The attached PDF is a short list of resources for students impacted by COVID-19 (for basic living and financial needs - food, housing, emergency funds, etc.).

The Dean of Students office launched the [VCU Student Emergency Fund](#) today. Students can access the application on our Dean of Students website ([dos.vcu.edu](https://dos.vcu.edu)) or click here: <https://forms.gle/neYwf4Eg8ERiQzeK8>.

There is also a [Student Life and Learning Fund](#) which provides grants and loans to students impacted by COVID-19. Students can request an application by visiting the website for Strategic Enrollment Management: <https://sem.vcu.edu/covid-19/>.

These two funds are coordinating with each other to assist the most students possible. If you have any questions, please let me know.

Thank you,  
Kendall
