This seminar is a hands-on session with seating limited to the first 24 respondents. As a result of attending this professional development seminar, participants will be able to:

- *review services and resources of the Office of the Vice President for Research and other research support units;*
- *discuss and navigate web-based funding databases (SPIN, COS Pivot);*
- *discuss other funding opportunity search resources relevant to sciences and health sciences disciplines;*
- *improve search strategies.*

This seminar is sponsored by the Office of Faculty Affairs, VCU School of Medicine, in collaboration with the VCU Office of Research. For questions, please contact Kathy Kreutzer, kkreutze@vcu.edu or Debbie Stewart, dstewart@vcu.edu, 828-6591.
