

Basic Teaching Skills for New Faculty and Faculty New to Teaching

Friday, December 2, 2011, 8:15 am - 1:30 pm, Molecular Medicine Research Building 1009/1011

Master teachers from the University and School of Medicine will provide information on the resources and skills you need to be a good teacher, whether you are giving a lecture, supervising students in a laboratory, or teaching on the wards. All faculty, graduate students, and residents are welcome to attend.
